

# Educator Dashboard Overview

## What is it?

The Educator Dashboard is a **browser-based** product that allows educators to access and sort **Moshi tracks** for easy use in the classroom. It also includes **lesson plans and kid activities** that connect to the tracks that can be downloaded from the dashboard.

## Benefits:

- Sort content based on when in the day you're using **Moshi** and what you are teaching
- Build your **Favorites list** for easy access to content
- Stream content **directly** into your classroom
- Access on any device since it's **browser-based**

# Step-by-step

1 Go to:  
**www.moshikids.com**  
Click the Login button in the top right corner

2 Enter your credentials and click the Login button (if you don't have a login, you can **sign up here**; it's free for educators!)

3 Explore featured tracks

# Step-by-step

4 Playlists organize content by categories, such as key moments of your day and SEL Competencies. This is the default view upon logging in.

5 To view all Moshi Content, click the X on Playlists or select "Clear All"

6 Sort by the track type, SEL category, duration, and theme

7 Add as many sort options as you'd like to narrow down the results

# Step-by-step

8 Do you or your class have favorite tracks? Click the heart in the left corner of all the tracks you love to add them to your Favorites list for easy and quick access

9 Some tracks feature lesson plans and quick activities to try in your classroom. Lessons and activities can also be found at: [www.moshikids.com/schools/lesson-plans/](http://www.moshikids.com/schools/lesson-plans/)

**Conversation Guide**

Play this short audio track then use the Conversation Guide with your class to reflect on SEL skills and strategies.

**Tracks**  
Decisions, Decisions With Darwin (7:44)

1. What does Darwin think about when he makes a decision?
2. Which path did Darwin choose on his way home? Why did he choose the path he took?
3. What does looking before you leap mean to you?
4. When is a good time to stop and think before making a decision?
5. Wisdom is learning over time. What is something you've learned over time?
6. What is a good decision you made that was right for you?

**Darwin's Decision Maze**

Lead Darwin through the maze below to help him make good decisions on his way home. If you're not sure which way to go, listen to Decisions, Decisions with Darwin.
